WINERY

2019 ROSE

NARAMATA BENCH

Winemaking

All the grapes were grown by Earlco Vineyards Ltd. and sourced exclusively from the Naramata Bench. Our 2019 Rose is a 100% Pinot Noir. Wine was produced using the saignée method, extracting juice from the macerating red grapes. Fermented in stainless steel tanks, cold stabilized, fined and filtered.

Tasting Notes

The 2019 Rose was produced in an off-dry style and boasts a romantic blush hue. Aromatics of fresh strawberries and baked fruit crumble. Palate is medium bodied with bright raspberry fruit flavours and candied strawberries creating a lingering finish.

Pairing Suggestions

Enjoy this wine with family and friends! If pairing with food, our suggestions are summer salads, fruit salads and spicy Asian cuisine.
